Elite Athletic Cheer is a local non-profit cheerleading organization located on Delsea Dr in Westville, New Jersey working with athletes from Gloucester County, as well as surrounding counties. Our organization has been working very hard to provide our athletes with an elite program unlike any other recreational sporting program. We value an athletic and education balance. We train hard inside and outside the gym to provide athletes a healthy physical and mental lifestyle..

With such a unique program comes the high cost of competitions, choreography, facility rentals and participating in nationally ranked competitions. All of our families and board members provide a financial commitment, but we still rely on the generosity and help of our sponsors to allow more athletes to participate in the sport they love. Elite Athletic Cheer is confident you will find a level of sponsorship that is comfortable for your business and beneficial to our athletes. Here at EAC, we are all family and look forward to building a strong relationship with our sponsors all while fulfilling the hopes and dreams of our athletes. At this time we would like to offer you the opportunity to sponsor our organization and get your business name out to the 900+ family members associated with our organization. Our EID:47-3923268
